Cancellation Policy

If for any reason your child will be unable to make their scheduled appointment time, families should contact our office by phone call or text at 865-322-9252.

Non-emergency cancellations require at least 24 hours notice.

- **Examples of non-emergencies include (but are not limited to) vacations, pre-scheduled medical appointments, and family events.**

Emergency cancellations are accepted on the day of the child's appointment.

- **Examples of emergencies include (but are not limited to) child illness, illness of a family member, and a death in the family.**

Three cancellations within a 3 month period that are not reported as stated above will be equal to one no-show. After two no-shows, we will place you on a call-in list. You will be responsible to call in weekly for an appointment, as you will not have a permanent spot. After 1 month of consistent attendance, you will then be placed in a permanent spot for treatment.

In the event of inclement weather, we will provide teletherapy that day or reschedule their appointment to an in person session. If you miss a teletherapy scheduled session, this will count as a cancellation.

Retention of a minimum of 75% of your child's scheduled sessions within a 3 month period is pertinent to their progress. This means if your child is scheduled 2 times per week, missing more than 6 sessions within 3 months would result in termination of services.

If you wish to continue services after your child is discharged, you will need another referral from your child's pediatrician.

There are OPTIONS!! Teletherapy!!

We offer teletherapy as an alternative to in-clinic sessions in compliance with HIPPA guidelines.

If you are unable to attend in-clinic sessions, contact your therapist to discuss scheduling options for teletherapy. The teletherapy format provides us with the opportunity to go over your child's home program and any questions you may have related to your child's treatment.

As always, thank you for choosing Growing Wise Therapy Services. We are excited to be a part of your child's team!

ROUTINE VERBAL SESSION PROGRESS DISCUSSIONS

The clinical and administrative team at Growing Wise Therapy Services value our relationship with the families we serve. Much of that relationship is reinforced by regular communication about your child's progress and needs. As our time with each patient is typically limited, we strive to make the most of this time by providing therapy, followed by informative routine verbal progress reports with the parent in the lobby.

Given your signed authorization below, the therapist will share session-specific information with you verbally in the lobby at the close of each session. These discussions will be routine in nature. (Example: a report of how the session went, what they worked on, what to try at home, etc)

In the case of more sensitive issues, such as diagnosis, medical or behavioral concerns or any other personal subject, the therapist will not address these in the lobby. Depending on the available time, the therapist may invite you into the office or schedule an appointment time for a more formal conference.

At Growing Wise, we recognize that not everyone will feel comfortable with ANY discussion in a public setting, which is why we would like for you to share with us your preference regarding the session- specific routine verbal progress discussions. We will accommodate each family's discussion preferences as listed below:

REGARDING PATIENT, _____ (Check only one below)

____ I authorize the staff at Growing Wise therapy to provide session-specific routine progress reports verbally in the lobby after each session, with the understanding that these discussions will be kept general in nature and will be communicated at a reasonably low volume and will not include sensitive topics such as diagnosis, medical or behavioral concerns, or any other personal subject matter.

____ I prefer that all discussions regarding my child's process, including general verbal progress reports take place either in the office or in a private conference setting. Please do not discuss anything about the session in the lobby or any public space.
